FirstLab Acquires You Drive Safe, Inc.

North Wales, PA (May 1, 2009) – FirstLab[®], a leading third party administrator of substance abuse testing services, located in North Wales PA, today announced that it has reached an agreement to acquire certain assets (the clients) of You Drive Safe, Inc., a third party administrator (TPA) of drug and alcohol testing programs.

Founded in 1990 by Thomasina Pekofsky and Carol Wambaugh, You Drive Safe, Inc. is a regional TPA with approximately 90 clients, most of whom are located in Southeastern PA.

Dennis Bennett, President of FirstLab said of the acquisition “The purchase of You Drive Safe, Inc. fits very well with FirstLab’s overall business strategy, to grow both organically and through acquisitions. FirstLab will continue to seek out companies to acquire that will strengthen our foothold in the drug and alcohol testing industry.”

FirstLab is considered by many to be the leading privately held provider of products and services to support both regulated and non-regulated drug and alcohol testing programs in the United States. You Drive Safe, Inc. will continue to exist as an independent provider of specimen collection and breath alcohol testing services and will work with FirstLab to provide these services to FirstLab’s clients, and to expand their client base in this arena.

No terms of the deal were made public.
